

PUBLIC SERVICE ANNOUNCEMENT

March 25, 2024

The City of Corning Water Department will be replacing water services on Sunset Dr. From S. Bridge Street to Brown Street.

During the work, portions of area streets will be closed to traffic. Work shall take place weather permitting, Monday- Friday 7 A.M to 4 PM from April 1st to April 19th. Parking restrictions and detours will be in place during work hours.

Within this period, a portion of customers may experience low or no water pressure. Residents in the affected area are asked to draw water to prepare for the period of scheduled interruptions. Water service will be restored at the completion of the workday. Residents will be notified 24 hours prior to any water service interruptions.
